This makes the composition over the two members allowed in the same association. Terry Rodgers explained that when the newly appointed board members were interviewed, they had a conversation about that subject. They were willing to not play an active role in the association while serving as a board member.
 - A concern was raised from the audience about the cost of staff and board members going to Spokane for a board meeting. Paul Duffau said that they might be surprised at the turnout the meeting gets in Spokane. He said that other groups he belongs to get a very large turnout when they are in Spokane. He said the board would like to try it and will decide if they are going back after they see what the turnout is at the meeting.
- I. The meeting was adjourned at 11:50 a.m.
